

Veterinary Surgeon – Farm**Blackdown Farm Vets Ltd****Dalwood, East Devon**

A fantastic opportunity has now arisen to join our independent farm animal only practice based in East Devon.

We are a young highly motivated enthusiastic team committed to providing a progressive service with client satisfaction at the heart of what we do. We believe a supportive and positive working environment plays a key part in delivering this. We have a strong emphasis on teamwork.

The job would suit an experienced vet with fresh ideas and expertise, or a new graduate who is keen to develop their career. We will fully support a new grad to become the best vet they can be. CPD and study towards further qualifications paid for and encouraged.

Our work is largely dairy including regular routines, health planning and farmer meetings. A similarly proactive approach is taken to our sheep and beef work.

Good remuneration including competitive salary and additional employee benefits. Excellent long term career prospects for the right candidate.

If you would like to apply or any other information please contact Fo Jones at Blackdown Farm Vets with a curriculum vitae and covering letter before Friday 26th June 2023.
